

GIRLS' NIGHT IN

Make Your Own Tassel Garland

Tassel garlands are a huge party trend and will add a touch of glamour to your Girls' Night In! It's easy to make your own with these simple steps.

MATERIALS NEEDED

- 1/2 sheet of 20" x 20" or 20" x 24" tissue paper per tassel
- Scissors
- Ribbon or cord

INSTRUCTIONS

Cut Fringe

1. Fold a piece of tissue paper in half and then in half again the other way. Cut strips towards the fold to create fringe, leaving about 1 inch uncut at the fold line.
2. Once all strips are cut, unfold the tissue and cut in half so you have 2 sheets with fringes (to make 2 tassels).

Twist Tassels

3. Unfold tissue paper. Begin rolling tightly down the middle crease.
4. Continue rolling, fold in half and then twist to create a loop for hanging.

Create more tassels and finish garland

5. Repeat to create additional tassels in various colours. Hang from thin cord or ribbon.
