**Make your own
Girls Night In bunting**

1. Print out multiple copies of this pdf onto A3 paper size.

2. Cut out bunting shapes and fold in half along dotted line to make two-sided triangles.

3. Staple, sticky tape or glue pointy ends of cut out bunting together.

4. Cut your string to desired length. Thread string through bunting at the top and secure with staples, sticky tape or glue – refer to pattern above.
