

HOW YOUR MONEY HELPS

\$10

Can help pay for an Information Pack to help a woman cope after surgery.

\$25

Can help us update GPs and other health professionals with the latest evidence about cancer prevention, screening and diagnosis.

\$50

Can help a cancer nurse on 13 11 20 give information and support to a woman throughout her cancer journey.

\$100

Can help provide accommodation for a woman who needs to travel and stay away from home to access treatment.

\$250

Can help fund research that will lead to clinical trials for new treatments.

\$500

Can cover some of the costs of recruiting women into research studies to help us understand the causes of cancer.
